For your next event, remember that Pat O'Brien's offers quality catering services. Executive Chefs will create the ideal gourmet meal. Pat O'Brien's provides an extensive beverage selection, complete with our trademark Specialty Drinks, including the World Famous Hurricane.

The Briars Suite

The Briars Suite, located on the second floor above Pat O's Courtyard Restaurant, is an elegant double parlor decorated in French-European style with a complete bar, copper topped grand piano, and private balcony. Each parlor features a black marble fireplace, highly polished wood floors and beautiful antique chandeliers and furnishings. Combined, both parlors will accommodate large groups. The Briars is perfect for any function big or small, elegant or casual.

Location: Upstairs, Occupancy: 50 - 150

The Grand Promenade

The Grand Promenade, located on the second floor, is our newest banquet addition. This 10,000 square foot facility was carefully designed to respect the historical qualities of the building that it resides in. Features include a magnificent rock and brick wall that is original to the building, a stage, hardwood floors and a brick bar that compliments the accent wall. The balcony overlooking the magnificent San Antonio Riverwalk promises a spectacular view for any celebration.

Location: Upstairs, Occupancy: 100-500

The Courtyard Restaurant and Patio Bar

Pat O's Courtyard Restaurant offers a unique dining experience as only Pat O'Brien's can provide. We offer outdoor dining in a lush, tropical garden. Complete with trees, indigenous foliage, shade umbrellas, and its own Flaming Fountain, the Courtyard is a memorable experience.

Location: Downstairs, Occupancy: 200-350

The Piano Lounge

Across the carriageway from the Courtyard Restaurant is the ever-popular Piano Bar. The room offers green cushioned chairs poised around copper-topped tables. The front stage boasts two baby grand pianos. The dueling entertainers perform your favorite sing-alongs from requests written upon napkins passed up from the audience. The Piano Bar is a bar that has been imitated, but never replicated, because no one can capture the spirit that Pat O'Brien's creates!

Location: Downstairs, Occupancy: 75-150

The Main Bar

Patronage to Pat O'Brien's is unwavering, and no where is that more obvious than the Main Bar. This bar exudes the atmosphere of a neighborhood bar. On the walls hang framed pictures of loyal customers enjoying years spent at their favorite establishment. With over 500 beer steins hanging from the ceiling, champagne bottle wall lamps, and mirrored bar backs bordered with ornate ironwork, the Main Bar has the feel of an old-fashioned private gentlemen's club -- but everyone is welcome here!

Location: Upstairs, Occupancy: 50-100

All facilities are handicap accessible.

With everything from Hurricanes and the signature flaming fountain to piano players entertaining in the Lounge, this New Orleans replica has definitely made its mark on San Antonio.
